

PH 142 Spring 2025: Extra Credit Assignment

Overview:

Students will be able to recover 3 points from *either* Midterm 1 or Midterm 2 by thinking critically about the concepts they missed. Students will be asked to write ½-1 page regarding a concept taught in 142 this semester that led to missed points on a midterm exam.

The extra credit assignment will be administered **during lab sections of Week 15 from April 28th to May 2nd**. Students must attend a lab section to complete the extra credit opportunity. There will be no make-ups assignments offered.

Instructions:

1. Bring a blank piece of paper to your lab section to complete the assignment.
2. The top of your page should include: Name, SID, Email address, GSI, Section #, Midterm selected
3. Students will have 15 minutes to complete a short ½-1 page write-up on the concept that led to them missing points on either of the midterms. Students are welcome to select this concept prior to the administration of the assignment and bring a piece of paper specifying what question they are selecting. **No use of technology or other notes will be allowed.**
4. Students will turn their assignment and their question sheet into their GSIs at the end of section.
